Strategic Report

Business Model and Strategic Objectives

The principal activity of Third New Court Limited ("the Company") is that of property investment and lettings. The Company was established in 2008 for the redevelopment of the New Court building in St Swithin's Lane, London. The new building was completed in 2011, and is let on a long-term lease to N. M. Rothschild & Sons Limited ("NMR"), a fellow-member of the Rothschild & Co group of companies headed by Rothschild & Co Concordia SAS ("R&Co Group").

Business Update and Key Performance Indicators

In the year to 31 December 2023 the Company received rental income of £12,552,382 (2022: £12,124,152). After depreciation and interest charges it generated a profit of £4,025,593 before tax (2022: £3,477,650) and an after-tax profit of £2,258,913 (2022: £1,707,970). £27.0m of cash is now held with NMR and is immediately available for use by the Company, although it does not qualify as cash and cash equivalents under IFRS.

Section 172 Statement

The Board has a duty under s172 of the Companies Act 2006 to promote the success of the Company for the benefit of its members as a whole and in doing so, to have regard (amongst other matters) to:

- a) the likely consequences of any decision in the long term,
- b) the interests of the Company's employees,
- c) the need to foster the Company's business relationships with suppliers, customers and others,
- d) the impact of the Company's operations on the community and the environment,
- e) the desirability of the Company maintaining a reputation for high standards of business conduct, and
- f) the need to act fairly as between members of the Company.

During the year the Board has considered its duties under s172 and how it fulfils its obligations thereof. Given that the Company has no staff and limited suppliers, the key stakeholders are thought to be shareholders and tax authorities:

Shareholders

The Board is appointed by the shareholders to oversee, govern and make decisions on their behalf and so is directly responsible for protecting and managing their interests in the Company. It does this by setting the strategies, policies and corporate governance structures described earlier. As part of the wider R&Co Group, some of these responsibilities are managed at a group level and described in greater detail in the R&Co financial statements that are available on www.rothschildandco.com/en/investor-relations/.

Strategic Report (continued)

Tax authorities

The Company insists on the highest standards of professionalism and integrity from those that act on its behalf who are expected to refrain from any conduct or behaviours that could be perceived unfavourably. This extends to dealing honestly and openly with regulators and tax authorities and in compliance with all the relevant laws and regulations in place.

Principal Risks and Uncertainties

The principal risks of the Company are credit risk, market risk and liquidity risk.

Management has performed an assessment to determine whether there are any material uncertainties that could cast significant doubt on the ability of the Company to continue as a going concern.

Since the New Court building is leased to NMR, the Company is particularly reliant on the ability of NMR to meet its obligations under the lease. NMR has sufficient liquidity to continue to operate for the next 12 months even in the scenario where revenue is significantly reduced. Management has considered the going concern basis of preparation as outlined in note 1 to the financial statements.

Report of the Directors

The Directors present their Directors' report and the financial statements for the year ended 31 December 2023.

Dividends

During the year the Company did not pay any dividends (2022: £nil).

Directors

The Directors who held office during the year were as follows:

Peter Barbour Mark Crump John King Paul O'Leary (resigned 4 August 2023)

Directors' Indemnity

The Company has provided qualifying third-party indemnities for the benefit of the Directors. These were provided during the year and remain in force at the date of this report.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Audit Information

The Directors who held office at the date of approval of this Report of the Directors confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware, and each Director has taken all the steps that he ought to have taken as a Director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Statement of Directors' Responsibilities in Respect of the Annual Report, Strategic Report, the Directors' Report and the Financial Statements

The directors are responsible for preparing the Annual Report, the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK-adopted international accounting standards and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant and reliable;
- state whether they have been prepared in accordance with UK-adopted international accounting standards;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the Members of Third New Court Limited

Opinion

We have audited the financial statements of Third New Court Limited ("the Company") for the year ended 31 December 2023 which comprise the Statement of Comprehensive income, Balance sheet, Statement of changes in equity, Cash flow statement, and related notes, including the accounting policies in note 1

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2023 and of its profit for the year then ended;
- have been properly prepared in accordance with UK-adopted international accounting standards; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a
 material uncertainty related to events or conditions that, individually or collectively, may
 cast significant doubt on the Company's ability to continue as a going concern for the
 going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Independent Auditor's Report to the Members of Third New Court Limited

Fraud and breaches of laws and regulations - ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors and senior management and inspection of policy documentation as
 to the Company's high-level policies and procedures to prevent and detect fraud,
 including the internal audit function, and the Company's channel for "whistleblowing", as
 well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes; and
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because of the limited opportunity to commit fraud due to the fact that the company's primary revenue transactions are from a single source and there are no judgmental aspects involved.

We did not identify any additional fraud risks.

We performed procedures including identifying journal entries and other adjustments to test based on risk criteria and comparing the identified entries to supporting documentation. These included material post close entries and journals posted by individuals who do not typically post journal entries.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations;

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience, and through discussion with the directors and others management (as required by auditing standards), and from inspection of the Company's regulatory and legal correspondence and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies' legislation), distributable profits legislation, and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in

the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: anti-bribery, employment law, and certain aspects of company legislation recognising the financial nature of the Company's activities and its legal form. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Strategic report and Directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns;
 or
- certain disclosures of directors' remuneration specified by law are not made; or

Independent Auditor's Report to the Members of Third New Court Limited

we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

For the Year ended 31 December 2023

1. Accounting Policies

Third New Court Limited is a private limited company incorporated in England and Wales. The Company's registered office is at New Court, St Swithin's Lane, London EC4N 8AL. The principal accounting policies which have been consistently adopted in the presentation of the financial statements are as follows:

a. Basis of preparation

The financial statements are prepared and approved by the Directors in accordance with UK-adopted international accounting standards (adopted "IFRS").

Functional and presentation currency

These financial statements are presented in sterling, which is the Company's functional currency.

Going Concern

The company's contractual obligations and committed revenues are structured such that cash flows will remain positive for the foreseeable future, as rental income exceeds the amounts of interest payable, and principal repayable, under the loan.

Management has performed an assessment to determine whether there are any material uncertainties that could cast significant doubt on the ability of the Company to continue as a going concern. No significant issues have been noted. In reaching this conclusion, management considered:

- The financial impact of the uncertainty on the Company's balance sheet;
- The Company's liquidity position based on current and projected cash resources. The liquidity position has been assessed taking into account the forecast liquidity of N.M. Rothschild & Sons Limited ("NMR") and its ability to continue to pay the rental expense due to the Company. Considerations included a stressed scenario where NMR's revenues could be significantly reduced as compared to the prior year; and

Based on the above assessment of the Company's financial position, the Directors have concluded that the Company has adequate resources to continue in operational existence for the foreseeable future (for a period of at least twelve months after the date that the financial statements are signed). Accordingly, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

(forming part of the Financial Statements)

1. Accounting Policies (continued)

Standards affecting the financial statements

A number of new standards, amendments to standards and interpretations are effective for accounting periods ending after 31 December 2023 and therefore have not been applied in preparing these financial statements. The Company has reviewed these new standards to determine their effects on the Company's financial reporting, and none are expected to have a material impact on the Company's financial statements.

b. Interest

Interest income and expense is recognised in the statement of comprehensive income using the effective interest rate method.

c. Property

Property is stated at cost or deemed cost less accumulated depreciation and impairment losses. Cost includes capitalised development expenditure, borrowing costs, and other expenditure that is directly attributable to the acquisition of the asset.

Land is not depreciated. Depreciation on other assets is calculated using the straight line method to write down the cost of assets to their residual values over their estimated useful lives, as follows:

Investment property 10 - 60 years

d. Impairment of property

At each balance sheet date, or more frequently where events or changes in circumstances dictate, property is assessed for indications of impairment. If such indications are present, these assets are subject to an impairment review. If impaired, the carrying values of assets are written down by the amount of any impairment and the loss is recognised in the income statement in the year in which it occurs. A previously recognised impairment loss relating to a fixed asset may be reversed when a change in circumstances leads to a change in the estimates used to determine the fixed asset's recoverable amount. The carrying amount of the fixed asset is only increased up to the amount that it would have been had the original impairment not been recognised.

e. Rental income

Rental income from investment property is recognised in the income statement on a straight line basis over the term of the lease.

(forming part of the Financial Statements)

1. Accounting Policies (continued)

f. Financial liabilities

Financial liabilities are initially recognised at fair value less directly attributable transaction costs and are subsequently measured at amortised cost using the effective interest rate method.

g. Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents comprise cash and balances with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

h. Taxation

Tax payable on profits is recognised in the income statement.

Deferred tax is provided in full, using the balance sheet liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred tax is determined using tax rates and laws that are expected to apply when the related deferred tax asset is realised, or the deferred tax liability is settled.

Deferred tax assets are only recognised where it is probable that future taxable profits will be available against which the temporary differences can be utilised.

i. Capital management

The Company is not subject to any externally imposed capital requirements. Capital resources are managed on a group basis by NMR, a fellow subsidiary undertaking.

j. Financial risk management

The Company follows the financial risk management policies of a fellow subsidiary undertaking, NMR. The key risks arising from the Company's activities involving financial instruments, which are monitored at the group level, are as follows:

- Credit risk the Company has limited exposure to the risk of loss arising from client or counterparty default. Cash balances are held either with a fellow subsidiary undertaking or with a bank which has a strong credit rating.
- Market risk the Company does not have exposure to changes in market variables such as currency exchange rates or equity and debt prices. Following the refinancing of the Company's loan facility in April 2015 at a fixed interest rate for twenty years, the Company has substantially reduced its exposure to interest rate risk on loans from third parties.
- Liquidity risk the risk that the Company is unable to meet its obligations as they fall due or that it is unable to fund its commitments. Following the loan refinancing, the Company's exposure to liquidity risk has been greatly reduced.

(forming part of the Financial Statements)

2. Fair Value of Financial Assets and Liabilities

The tables below analyse the fair values of financial assets and liabilities according to a three level valuation hierarchy, whereby the valuation level is determined using the following criteria:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (ie as prices) or indirectly (ie derived from market data to a significant extent).

Level 3: Inputs for the asset or liability that are not based primarily on observable market data (unobservable inputs).

Pillar Two income taxes legislation have been enacted in France, where the group's parent company, Rothschild & Co SCA, is incorporated. The legislation is effective from 1 January 2024. Under the legislation, the parent company will be required to pay, in France, top-up tax on profits of its subsidiaries that are taxed at an effective tax rate of less than 15 per cent. It is not expected that there will be any top-up tax due in the group's UK entities.

Further information about deferred tax is presented in note 11.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Secretary General (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Secretary General:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: richard.mander@rothschildandco.com

To advise Secretary General of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at richard.mander@rothschildandco.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Secretary General

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to richard.mander@rothschildandco.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Secretary General

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to richard.mander@rothschildandco.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Secretary General as described above, you consent to receive
 exclusively through electronic means all notices, disclosures, authorizations,
 acknowledgements, and other documents that are required to be provided or made
 available to you by Secretary General during the course of your relationship with
 Secretary General.
