About Rothschild

Rothschild is one of the world's largest independent financial advisory groups.

There are four main arms to the business: Global Financial Advisory, Wealth Management & Trust, Institutional Asset Management and Merchant Banking.

Rothschild's Global Financial Advisory business provides impartial, expert advisory services to corporations, governments, institutions and individuals. It delivers the highest quality advice with discretion, integrity and insight, in the areas of M&A and strategic advisory and financing advisory.

Senior advisory bankers lead every assignment from start to finish so all clients benefit from Rothschild's collective intellectual capital, specialist expertise and wealth of experience. With approximately 900 advisers in 40 countries, its scale, reach and local knowledge enable it to develop relationships and deliver effective solutions to support clients worldwide.
