

Rothschild & Co expands Equity Advisory with two senior appointments

London, 8 January 2021

Rothschild & Co is pleased to announce the appointments of Andrei Brougham and Alvaro Rosado who join the Global Advisory business in London as Managing Director and Director respectively.

Mr. Brougham and Mr. Rosado will form part of a specialist team within Equity Advisory focused on sponsor-led secondaries transactions. They will work closely with Rothschild & Co's global sector and private equity coverage teams and offer a wider range of private capital solutions to clients.

Prior to joining Rothschild & Co, Mr. Brougham and Mr. Rosado were part of the Secondaries team at PJT Parkhill. They bring significant experience in the origination and execution of a range of private equity-related transactions, advising sponsors on liquidity solutions and on a wide range of portfolio level transactions.

Commenting on the appointments, Robert Leitão, Managing Partner of Rothschild & Co said: "The market for secondary transactions led by private equity houses has evolved rapidly in the last year and significant further growth is expected as private equity sponsors look for new solutions to hold on to assets for longer. The establishment of a dedicated secondaries team will further broaden Rothschild & Co's capabilities for our private equity clients as the market for private capital continues to evolve. We look forward to combining the skills of the new team with our deep sector knowledge for the benefit of our private equity and broader client base."

Mr. Brougham and Mr. Rosado are expected to join Rothschild & Co in the second quarter of 2021.
