Job Title: Long term internship
Division: Rothschild Global Advisory
Duration: 6 months
Location: Brussels

Programme description

Rothschild & Co, one of the world's largest independent global financial advisory groups, is looking for an intern to join its successful Global Advisory practice in Belgium for a six-month internship.

Rothschild & Co

Rothschild & Co is one of the world's largest independent financial advisory groups. We offer a distinct perspective that makes a meaningful difference to our clients' business and wealth.

With a team of 2,800 talented financial services specialists on the ground in 40 countries across the world, we provide independent advice on M&A, strategy and financing, as well as investment and wealth management solutions to large institutions, families, individuals and governments. As a family-controlled business that has been at the centre of the world's financial markets for over 200 years, we can rely on an unrivalled network of specialists and are known for our track-record of outstanding execution in financial services.

Rothschild Global Advisory

An informed and impartial perspective to help our clients reach their goals through the design and execution of strategic M&A and financing solutions.

We provide impartial, expert advice to large and mid-sized corporations, private equity, families and entrepreneurs, and governments. We design and execute strategic M&A and financing solutions for our clients and act as a trusted partner, taking a long-term and independent view on the challenges they face.

Our deep understanding of financial markets, the high volume of transactions we advise on, and our unrivalled network of industry and financing specialists in 40 countries, provide clients with a comprehensive perspective to achieve their strategic goals.

Our distinct perspective allows us to achieve outstanding results for our clients and act as their most trusted advisers over the long term.

Brussels Office

Rothschild created a fully-fledged Global Advisory office in March 2016 when the former Belgian team of Leonardo & Co. joined Rothschild. The team based in Brussels works closely with other teams within Global Advisory and provides financial advisory services to a diversified set of clients including large corporates, public sector clients and private equity groups.

About the position

For the duration of your internship you will be working with the Belgium Coverage team in Brussels and will have the opportunity to gain first-hand M&A experience in Belgium. You will be expected to work on live corporate finance transactions and marketing projects as well as assist in the research and analysis of different companies and sectors. Graduates from recent years are always on hand to guide you and you will find that, as part of a team, you will learn a lot from the wider team.

Long-term interns are recruited from multiple degree disciplines. A high level of academic achievement is required, together with strong numeracy as well as excellent social and interpersonal skills.

Key responsibilities

- Conduct independent research and gather information from publicly available and internal sources
- Provide specified input for company profiles, presentations and other documents
- Provide input and editing of Excel-based models, including application of various valuation techniques
- Team credentials and Belgian M&A market related materials
- Attend internal and external calls and meetings
- Provide support for various administrative tasks
- Liaise with other Belgian coverage team members as well as other teams within Rothschild's Global Advisory division
- Assist in driving internal operational excellence

Corresponding skills and attributes

- Strong academic performance (one or more university degree(s), with top scores)
- Initial professional experience, such as one or more internship(s), and a marked interest in M&A and corporate finance advisory
- Fluency in Dutch, French and English
- Proven analytical and numerical skills
- Excellent computer skills including MS Office (Word, Excel and Power Point)
- Strong communication and team working skills
- Diligent and committed to excellence
- Good attention to detail
- Ability to manage multiple tasks and sound prioritisation skills
- Ambitious, driven and capable of delivering results whilst working to short deadlines
